Jujitsu America presents Sport Jujitsu Finals Tournament at Disneyland® Martial Arts Festival

Jujitsu America proudly presented the Sport Jujitsu Tournament as part of the third annual **Disneyland® Martial Arts Festival** hosted by **Disney Sports Attractions** at the Anaheim Convention Center in Anaheim, California, on February 16, 2008. It was an exciting event, which brought together several hundred martial artists from all around the world competing and demonstrating in 12 different martial arts disciplines!

The Sport Jujitsu Tournament featured competitors engaging in continuous-fighting matches with points scored for punches and kicks (controlled contact), throws and takedowns, and pins and submissions on the mat. Each match consists of two two-minute rounds with a one-minute break, with the

winner decided by total points accumulated during each match. The competitors included boys, girls, women, and men from across the United States and from a variety of martial arts styles. Competitors were recognized for skill in technique, competitive spirit, and good sportsmanship above all.

Event festivities also included the first-ever historical Magical Martial Arts Day in **Disney's California Adventure®** Park on February 17, 2008, featuring a fun day of martial arts demonstrations and pre-parade march of athletes that competed in the **Disneyland® Martial Arts Festival**.

Our next major event will be the Sport Jujitsu Tournament which will be presented as part of the upcoming RDK's Ultimate Internationals/Tiger Claw Elite Qualifiers Tournament at the Santa Clara Convention Center in Santa Clara, California, on May 24, 2008. Upcoming JA Sport Jujitsu events are listed on the Jujitsu America website at www.jujitsuamerica.org/sportjujitsu.php. All are welcome and we look forward to seeing you there!
